

# Chamizal National Memorial

National Park Service  
U.S. Department of the Interior

## Fall Teacher Workshop: The Memorial as a Science Resource

**October 21, 2006**  
**9:00 am to 3:00 pm**

This 5-hour workshop will instruct 2nd and 4th grade educators on how to incorporate Science TEKS with an on-site visit

to the Memorial.

Participants will focus on the Rio Grande's river movements that caused the conflict and subsequent resolution between the U.S. and Mexico that the Memorial commemorates. In addition,

participants will focus on desert plants that live within the park's boundaries by incorporating science, visual art, technology and conservation concepts appropriate for these grade levels.

EPISD teachers need to register through Margaret

Blanche Herrera, this year's Teacher-Ranger-Teacher, will lead this hands-on Science workshop.

Johnson, your Science Facilitator. Teachers from other districts and grade levels are welcomed to attend and are asked to call (915) 532-7273 ext. 130 to register. The workshop is limited to twenty participants and is free of charge.

Participants will be working with paint and headed outdoors for scavenger hunts so please dress comfortably. Each participant will receive a binder full of curriculum materials as well as plenty of take home projects. Lunch will be provided. Please see your Science Facilitator or Coordinator to receive Continuing Professional Education credit for attending this workshop.
